RE: Approval of Multi-Jurisdictional Hazard Mitigation Plan for Karnes-Wilson County,
Texas

Dear Judge Hedtke:

This letter is to inform you of the FEMA approval for the Local Hazard Mitigation Plan for Karnes County and participating jurisdictions. All participating jurisdictions who adopt the plan are eligible for Unified Hazard Mitigation Grant funding which includes: the Hazard Mitigation Grant Program (HMGP); Pre-Disaster Mitigation (PDM); Severe Repetitive Loss (SRL); and Flood Mitigation Assistance (FMA) programs. Your efforts demonstrate a commitment to reducing the risk to the citizens and property of Karnes County.

See the attachment for the list of jurisdictions that have submitted adoption resolutions to date. Any remaining participants should submit resolutions within 90 days of the original plan approval date. This plan was approved on April 8, 2020 and will expire in five years on April 7, 2025. A current plan is required to remain eligible for Unified Hazard Mitigation Grant funding.

If you have any questions or concerns, please contact me at 512-424-7820 or via email at david.jackson@tdem.texas.gov.

Respectfully,

David P Jackson
